

We are greatly looking forward to being able to see you and your smiles. As things continue to move closer to normal, we want everyone to know that employee and client safety will still be paramount. We appreciate all the sacrifices that everyone made over the past year to support our business. With your help, we were able to continuously operate during these trying times.

Client Updates due to COVID-19:

- **Masks:**
- In accordance with the CDC guidelines and statewide mask mandate, vaccinated clients and employees will be able to receive services without a mask starting May 17th.
- On June 2nd, all clients will be able to enter the salon with out a mask.
- We realize that the virus is still out there and not everyone is ready to return to the salon without a mask. You are more than welcome to wear a mask in the salon and we will still have masks available for anyone who requests one.
- If you would like to request that your service provider wear a mask during your service, please let us know at the time of booking and we will make sure your request is accomodated.

Thank you again for standing with us during these unprecedented times. We cannot wait to see you!

With love & virtual hugs,
Your Mitchell's Salon & Day Spa Family
