"I have been to Mitchell's on three different occasions. I've received 2 full body massages, a facial and a maternity massage. Every time is a *great* experience. The staff is so friendly and comforting. The facility is beautiful and so relaxing and they do an excellent job making you feel so good! I recommend Mitchell's to everyone! - *April*

"Toured the spa yesterday and felt relaxed the minute I was through the door. Have to try the water treatments with the other *great* services. Who doesn't need some pampering! - *Carby*

"Love Mitchell's Salon! Every year I host a Girls Weekend for my sisters-in-law and my nieces. The scheduling department always manages to make sure we all get the manicures, pedicures, massages and facials with the techs we like at the times we want! Thanks, Mitchell's! - *Leslie*

"The staff made my birthday this year - I had the best massage of my life, topped off by a mani/pedi that had me dancing my way home. - *Judie*

"Mitchell's Salon & Day Spa is a slice of heaven. The angels there perform little miracles to make you feel relaxed and pretty. My favorite treatment is the Euphoria Facial which focuses not only on my face, but has mini treats like a hand wax wrap and a foot massage. Aaaaah..Heavenly! - *Suzette*

"I often times get a pinched nerve and each time I get a massage at Mitchell's I walk out feeling like a new woman. It's awesome and makes me feel great for weeks. - *Joni*
